Achievements by PA

Percent of 2013-15 Electric Lifetime Savings Goal Achieved by PA

Electric PA Highlights

National Grid

- Completed 10 CHP projects in December that accounted for 14% of the 2015 portfolio savings
- In 2013 – 2015, achieved 103% of lifetime savings goal at the portfolio level, 207% for Residential, 185% for Low-Income, and 81% for C&I
- Met or exceeded our savings goals in all sectors in CY '15

Eversource

- Achieved lifetime goals in all sectors
- Engagement in multiple levels of levels of customer organizations and supply chains on C&I
- MOU delivered 25% of savings
- Improved customer experience and customer engagement

Unitil

CLC

- Region-wide LED Streetlight Project
- Community Engagement all sectors: over 100 public presentations/events
- C&I Participation – from Business Leaders to micro businesses
- MF Growth after marketing effort

Achievements by PA

Percent of 2013-15 Gas Lifetime Savings Goal Achieved by PA

Gas PA Highlights

National Grid

- In 2013 – 2015, achieved 119% of our lifetime therm savings goal, 171% for Residential, 171% for low-income, and 71% for C&I.
- Met or exceeded our savings goals in all sectors in CY '15

Berkshire Gas

- Over 50% of annual & lifetime savings from C&I custom projects achieved in Berkshire's Eastern Division (currently under a moratorium)
- One large project completed in 2014 contributed nearly 30% of the savings
- Overall customer satisfaction reported was 97% according to residential QA/QC vendor

Eversource

- Achieved lifetime goals for all sectors
- Therm goals were our toughest C&I challenge
- Improved customer experience and customer engagement

Unitil

- Success with multi-measure projects in this Plan, including one large project that saved 248,000 annual therms, amounting to 25% of annual usage; Unitil worked with this customer to install new condensing boilers, controls and economizer on central steam plant boiler, attic insulation, new windows, low-flow showerheads, and steam trap repair and replacement.

Liberty Utilities

- Within 6% of 3 Year lifetime therm goal
- Overachievement in Residential Home Energy Services and Residential New Construction
- C&I sector continues to be biggest challenge.

CMA

- Closed triple the number of C&I projects in 2015 as completed in 2013.
- Established a hospitality industry outreach program and track with a dedicated vendor
- Upgraded to a new work process management system providing internal reporting in nearly real time
