Subject: LIMF Program support

Hello Maggie,

I'm writing from a property management group in Braintree, Ma. to offer support for the LIMF program and ABCD. We have been working with ABCD for over three years now and it has become a very important relationship to our company. We manage over 100 properties throughout Massachusetts with a focus on affordable housing and the LIMF program has allowed us to make substantial changes in our communities when it comes to energy efficiency. Our residents have benefited from the program as well and are also thankful for all the program has provided to Peabody Properties, Inc. ABCD is a pleasure to work with and wonderful at what they do. We feel our partnership together can make dramatic and positive changes in low income communities in Massachusetts for years to come if given the opportunity.

Thank you for your time,
Liz Tracey
