2024 Climate Law: Changes to the EEAC

- **All changes go in effect January 1, 2028**
- Eliminate the manufacturing seat and replace with a representative with low-moderate income interests
- Adjust the organized labor seat by adding “as recommended by the president of the Massachusetts AFL-CIO
- Adjust the energy efficiency business (voting seat) to remove requirement “employing fewer than 10 persons”
- Eliminate the energy efficiency business (non-voting seat) and replace with a representative from Mass CEC
