Councilor Survey on 2025-2027 Residential Budget Cuts

To support the PAs in their efforts to reduce the residential budget, DOER, as chair of the EEAC, is soliciting feedback from Councilors to identify which aspects of the 2025-2027 Plan the PAs should prioritize. Note that the rows/columns listed in parentheses throughout the survey correspond to the cells in the budget spreadsheet attached in the survey email.

Please complete the survey by **Thursday, April 3rd at 5pm.**

* Required

1. Name *

Enter your answer

2. For each pairing of priorities listed below, please select A or B:

	Option A	Option B
A. Greenhouse gas (GHG) savings OR **B.** Equity	◯	◯
A. Funding and offers in Designated Equity Communities (DECs) OR **B.** Funding and offers for moderate income customers statewide	◯	◯

	Option A	Option B
A. Funding for weatherization OR **B.** Funding for heat pumps	◯	◯
A. Immediate customer bill savings OR **B.** Future GHG savings	◯	◯

3. After reviewing the full list below, please rank the priorities in order of those you would like to see maintained as much as possible as budgets are cut (1 = top priority, 10 = lowest priority). Note that the following questions will provide opportunity for open-ended input for each customer group.

Enhanced weatherization incentives for moderate income customers (Spreadsheet rows 30, 44)

Enhanced barrier incentives for moderate income customers (Spreadsheet rows 31, 45)

Enhanced heat pump incentives for moderate income customers (Spreadsheet rows 32-33, 46-47)

Enhanced weatherization incentives for renters and rental properties (Spreadsheet columns J & K)

Enhanced barrier incentives for renters and rental properties (Spreadsheet columns J & K)

Enhanced heat pump incentives for renters and rental properties (Spreadsheet columns J & K)

Weatherization incentives for market rate customers (Spreadsheet rows 24, 38)

Heat pump incentives for market rate customers (Spreadsheet rows 26-28, 40-42)

Turnkey offers for moderate income customers (no dedicated budget line item. Turnkey offers provide a single point of contact for customers to receive weatherization, barrier remediation, and heat pumps. The turnkey approach has somewhat higher non-incentive costs given the additional support for customers.)

HEAT Loans for market rate customers (Spreadsheet row 72)

4. Please provide any additional input you have on prioritizing budget for **moderate income customer offers** including the following: In DECs, outside DECs, owners, renters, 1-4 units, 5+ units, electric resistance/oil/propane displacing heat pumps, gas displacing heat pumps.

   Enter your answer

5. Please provide any additional input you have on prioritizing budget for **renter offers** including the following: In DECs, outside DECs, owners, renters, 1-4 units, 5+ units, electric resistance/oil/propane displacing heat pumps, gas displacing heat pumps.

   Enter your answer

6. Please provide any additional input you have on prioritizing budget for **market rate customers** including the following: In DECs, outside DECs, owners, renters, 1-4 units, 5+ units, electric resistance/oil/propane displacing heat pumps, gas displacing heat pumps.

   Enter your answer

7. Please rank your priorities for preserving as much as possible the following programmatic efforts without direct GHG savings.

Community First Partnerships (Spreadsheet row 68)

Language access services (Spreadsheet row 65)

Home Energy Scorecards (Spreadsheet row 61)

Workforce Development (Spreadsheet row 64 and portion of row 71)

Home Energy Assessments (Spreadsheet row 62)

8. Given the necessity of these cuts to the Residential electric and gas budgets, what are you most willing to see cut?

Enter your answer

9. Is there any other input regarding the Residential Sector budget cuts that you would like to provide to the Program Administrators?

Enter your answer
