**Re: Massachusetts Electric Company and Nantucket Electric Company, each d/b/a
National Grid
Mid-Term Modification Proposal**

Dear Chair Mahony:

On behalf of Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid (“National Grid” or the “Company”), please see the enclosed narrative description of the Company’s proposed Mid-Term Modification (“MTM”) to National Grid’s 2022-2024 three-year energy efficiency plan, as previously approved in Massachusetts Electric Company and Nantucket Electric Company, each d/b/a National Grid, D.P.U. 22-118 (2022). The Company concurrently filed its petition for approval with the Department of Public Utilities, which is forwarded to Energy Efficiency Advisory Council (“EEAC”) in a separate email. The Company submits its MTM for EEAC review, pursuant to Pursuant to § 3.8.2 of the Department of Public Utilities’s (the “Department”) Energy Efficiency Guidelines as approved in Investigation by the Department of Public Utilities on its own Motion into Updating its Energy Efficiency Guidelines, D.P.U. 20-150-A (2021).

Please contact me at (351) 666-7799 if you have any questions. Thank you for your attention to this matter.

Very truly yours,

Christopher R. Tuomala
