In-Progress Studies Not to be Included in Annual Reports

Round 1 Studies

1. Residential Non-Energy Impacts Study[1]
2. C&I Gas Net-to-Gross Study
3. Large C&I Custom Measures Impact Evaluation
4. Umbrella Marketing Evaluation
5. Small C&I Datamining Study
6. EM&V Forum Incremental Costs Study
7. Residential New Construction Market Baseline
8. Large C&I Prescriptive Variable Speed Drives (VSD) Impact Evaluation
9. Large Combined Heat and Power (CHP) Impact Evaluation
10. Multifamily Market Potential

Round 2 Studies[2]

1. Additional Evaluations of Residential Behavioral Programs[3]
2. Additional Evaluations of Community-Based Programs[4]
3. Large C&I Evaluation Roadmap
4. NRNC Code Compliance Study
5. Large C&I Prescriptive Gas Impact Evaluation – Round 2
6. Custom Gas Impact Evaluation – Round 2
7. Large C&I Lighting Impact Evaluation
8. Large C&I Electric Custom Measures Impact Evaluation
9. Follow-Up Large C&I Process Evaluation
10. Evaluation of C&I Behavioral Initiatives
11. Small C&I Summer Operating Hour Study
12. Solar Thermal Domestic Hot Water (SHW) Pilot Program
13. Wi-Fi Thermostat Pilot Evaluation

---

[1] Final report to be included in annual reports, but not completed in time for numbers to be updated in annual reports.

[2] Includes studies that are either in the implementation stage or have reached at least the stage of detailed planning. Many additional studies in the relatively early planning stage are not listed here.

[3] Evaluation of behavioral programs is continuous and ongoing, and thus not easily classifiable as individual studies.

[4] Evaluation of community-based programs is continuous and ongoing, and thus not easily classifiable as individual studies.

14. Electronically Commutated Motor (ECM) Circulator Pump Pilot Program Evaluation
15. Low-income Process and Impact Evaluation
16. Home Energy Services Process and Impact Evaluation
17. Major Renovation Pilot Evaluation (continuation awaiting more participants)
18. 4 -8 Story MF Pilot Evaluation (continuation awaiting more participants)
19. Surveys of Non-Energy Star and Energy Star Home Buyers
20. Energy Star Builder Focus Groups
21. DOER Code Pilot/Mini-Baseline
22. Process Evaluation of Lighting Design Pilot
23. Memo on Assessment of New Residential Technologies (quarterly)
