Re: D.P.U. 23-XX: Boston Gas Company d/b/a National Grid, Petition for Approval of Mid-Term Modifications to its 2022-2024 Three Year Energy Efficiency Plan

Dear Chair Mahony:

On behalf of Boston Gas Company d/b/a National Grid (“National Grid” or the “Company”) please see the enclosed narrative description of the Company’s proposed Mid-Term Modifications (“MTMs”), Exhibit NG-4, to National Grid’s 2022-2024 three-year energy efficiency plan, as previously approved in Boston Gas Company d/b/a National Grid, D.P.U. 21-124 (2022). The Company concurrently filed its petition for approval with the Department of Public Utilities (the “Department”), which is forwarded to Energy Efficiency Advisory Council (“EEAC”) in a separate email. The Company submits its MTMs for EEAC review, pursuant to Pursuant to § 3.8.2 of the Department’s Energy Efficiency Guidelines, as approved in Investigation by the Department of Public Utilities on its own Motion into Updating its Energy Efficiency Guidelines, D.P.U. 20-150-A (2021), and the 2022-2024 Three Year Plans Order, D.P.U. 21-120 through D.P.U. 21-129 at 225, n. 138 (January 31, 2022).

Please contact me at (351) 666-7799 if you have any questions. Thank you for your attention to this matter.

Very truly yours,

Christopher R. Tuomala
