Round Robin: PA Updates

WE ARE MASS SAVE®:

Mass Save Supplier Engagement Summit

The PAs are partnering with MassCEC to integrate one of our Supplier Engagement Summits with their Central MA Regional Clean Energy & Climatetech Workforce Summit.

March 13th, 2026

Worcester Polytechnic Institute

To register: https://masscec.zohobackstage.com/CentralMACleanEnergyClimatetechWorkforceSummit#/

C&I Business Partner Event

435 unique attendees across 9 different session

Keynote Speaker:

Ben Meyers of BXP

Very positive feedback and high rating of sessions

EBCx Onboarding

- Offer launched on website in Dec
  - App form, guidebook posted
- Recruitment of Qualified Service Providers (QSPs) ongoing
  - QSP application portal online
  - 30 QSPs have applied
  - QSP onboarding webinar hosted
- Customer recruitment beginning
- Socializing offer with customer-facing PA staff
- Additional program materials being finalized (Savings calculator, M&V guidelines, expanded guidebook)

Potential Study

- RFP released in early January, bids received by PAs last week
- Timeline for completion aligns with AESC and finishes early enough to be used in goal setting
- EEAC consultant participation will increase based off feedback from prior potential studies and need for integration into EEA goals
- Non-traditional modeling – PAs moving towards a more outcome based approach rather than traditional potential study modeling.
