

Subject: "Written statement for Energy Efficiency Advisory Council".

Dear Sir/Madam:

It is my understanding that i as an electric customer are charged monthly an amount designated to be used by Mass Save to increase energy efficiency in our state, and that this money is not fully utilized for that purpose. As a consumer and a resident of Ma who is pahying such fee, i expect public officials to hold Mass Save accountable to use all of those resources to increase energy efficiency in our homes and businesses. please do all you can to further this urgent cause. we have a responsibility to the planet to reduce our use of energy that threatens our environment's ability to .sustain us.

Sincerely,
Sandra Boston
