Residential	Study Number			
Estimated Potential Savings from Enhanced Code Compliance with the IECC 2009 Residential Building Code in Massachusetts	1		RNC	both
Residential New Construction-Mystery Shopping	2		RNC	both
Residential New Construction-Phase I: Baseline Study/Code Compliance Assessment	3	Baseline Study	RNC	both
Net to Gross Asessments Based on Best Available Information for Misc Measures	4	Impact Evaluation	Gas High Efficiency Heating and Cooling, RNC and C&I Gas	both
Process Evaluation of Mass Save	5	Process Evaluation	Mass Save Program	Both
Residential Net-to-Gross Methods	6	Process Evaluation	All Residential Programs	Both
RCS/Gas Weatherization Net-to-Gross Study	7	Process Evaluation	Mass Save Program	both
Oil Benefits of RCS Programs	8	Impact Evaluation	Mass Save Program	Electric only
Process Evaluation of Low Income Programs	9	Process Evaluation	Low Income	Both
Process and Impact Evaluation of HEHE	10	Process and Impact	Cooling	gas only
Evaluation of Residential Lighting Program	11	Impact and Process Evaluation	ENERGY STAR Lighting	Electric only
Evaluation of Appliance Recycling Program	12	Impact and Process Evaluation	ENERGY STAR Appliances	Electric only
Residential Pilots	**Study Number**			
Process Evaluation of 4-8 Story MF Pilot (Interim)	13	Process	RNC	electric
Process Evaluation of Major Renovation Pilot (Interim)	14	Process Evaluation	RNC	electric
Process Evaluation of Energy Star Homes Version 3 Pilot	15	Process Evaluation	RNC	electric
Process Evaluation of Deep Retrofit Pilot	16	Process Evaluation	Deep Energy Retrofit Pilot	Both
Process Evaluation of Brushless Fan Motor Pilot	17			
2010 Behavioral Report(Opower)	18	Impact and Process Evaluation	Behavior/Feedback	Both
2010 Community Based Efforts Report	19	Impact and Process Evaluation	Community Based Pilots	Both

Commercial	Study Number			
LCI Phase I - General Process Evaluation	20	Process evaluation	C&I New Construction & Major Renovation / Gas & Electric / All Measures	
Comprehensive Design Assistance Process Evaluation	21	Process Evaluation	C&I New Construction /Electric/ Custom Measures - CDA & AB	Electric
New Construction Market Actor Assessment	22	Market Assessment	C&I New Construction & Major Renovation / Gas & Electric / All Measures	
Comprehensive Design Assistance Impact Evaluation	23	Impact Evaluation	C&I New Construction /Electric/ Custom Measures - CDA	Electric
Unitary HVAC Impact Evaluation - NEEP	24	Impact Evaluation		Electric
Custom HVAC Impact Evaluation	25	Impact Evaluation	C&I New Construction and C&I Large Retrofit / Electric / Custom Measures - HVAC	Electric
C&I Net-to-Gross Methodology Study	26	Process Evaluation	All C&I Programs	Both
C&I Electric Net-to-Gross Study	27	Impact Evaluation	All Electric C&I Programs	Electric
Phase I: Non-Residential New Construction Market Assessment Study	28	Market Assessment	C&I New Construction & Major Renovation / Gas & Electric / All Measures	Both
Phase I: Chain and Franchise Market Assessment Study	29	Market Assessment	C&I New Construction & Major Renovation / Gas & Electric / All Measures	Both
CHP Market Assessment Study	30	Market Assessment	C&I Large Retrofit / Custom Measures - CHP	Electric
High-Bay Lighting Market Effects Study	31	Market Assessment	C&I New Construction & Major Renovation / Gas & Electric / All Measures	Electric

Lighting Loadshape Study - NEEP	32	Impact Evaluation		Electric
C&I Lighting Persistence - NEEP study	33	Impact Evaluation		Electric
SBS Process Evaluation	34	Process Evaluation and Market Assessment	Small Business Program/All end uses/eletric & gas measures	both
SBS Lighting Operating Hours Logger Impact Evaluation	35	Impact Evaluation	Small Business Electric Program/Lighting/ Fixtures only	electric
Prescriptive Gas Impact Evaluation	36	Impact Evaluation	C&I New Construction and Large Retrofit / Gas / All Prescriptive Measures	Gas
