Meeting Registration: https://zoom.us/webinar/register/WN_V-xTgxEzQ7moZdCQBZX_5A

Public Comment Session Overview:

The Massachusetts Energy Efficiency Advisory Council (EEAC) will be holding two Public Comment Sessions, as it develops its priorities for the next Three-Year Plan. The purpose of these sessions is for the EEAC to hear from members of the public on issues related to the Massachusetts energy efficiency programs, branded as Mass Save®.

Public comment on any topic related to the energy efficiency programs and 2025-2027 Three-Year Plan are welcome at each session.

Public Comment Session Format:

- All listening sessions will be held virtually via Zoom.
- Stakeholders who would like to provide public comment are asked to register for only one session, by emailing ma-eeac@mass.gov by 5 pm on August 8, 2023.
- Submittal of written public comment via email is also encouraged and will be posted on the EEAC [website](#).

Each person providing public comment will be given 3 minutes to speak, in order to allow time for more to participate. Once everyone who has pre-registered has provided comment, others may have a chance to speak, as time allows.
