

Topic List for 2016-2018 Planning

| Sector | Topics |
|-----------------------------------------|-------------------------------------------------------------------|
| C&I | Healthcare Best Practices |
| | Components of Segmentation Strategy |
| | Small Business Best Practices |
| | Hospitality Best Practices |
| | Commercial Real Estate |
| | Process for evaluating the implementation of new ideas |
| | Upstream lighting |
| | Streetlights |
| | Hockey Stick |
| | Building Controls |
| | Combined heat and power |
| | Demand Response (electric) |
| | ZNEBs, new construction |
| | Building energy rating disclosure |
| | Key Performance Indicators (multiple measures) |
| | Retrocommissioning |
| | Submetering, data analytics |
| | Building Operator Training |
| | Behavioral programs |
| | Concierge and Owner's Project Manager Services |
| Other upstream programs (Gas, HVAC) | |
| Behavioral programs | |
| Codes and standards - New Construction? | |
| Residential | Residential Products |
| | Efficient Neighborhoods + |
| | Transition to LEDs |
| | HES |
| | Oil to gas conversions |
| | Behavioral programs |
| | New construction (bldg codes) |
| | Gas DR |
| | RCS Regs |
| | Scorecards |
| | Wifi and learning thermostats |
| | Cold climate ASHPs |
| ZNEBs | |
| Low Income | Weatherization |
| | Oil to gas conversions |
| | Wegowise (benchmarking) |
| | RSC Fuel option for oil multifamily |
| | Multi family opportunities |
| Multi Family | Cold climate ASHPs |
| | Strategic plan to evaluate creating a new sector for multi family |
| | Behavioral programs |
| | Oil to gas conversions |
| | New construction (bldg codes) |
| EM&V | RSC Fuel option for oil multifamily |
| | Building energy rating disclosure |
| | Strategic EM&V Plan |
| Cross Cutting | Scaling up of Efficient Neighborhoods + |
| | Historical/cumulative savings |
| | Program Penetration |
| | Participation counts |
| | Savings and cost profile by initiative |
| | Lost Opportunities: EM&V findings |
| | Technical feasibility/Economic feasibility |
| | Annual vs. Lifetime savings |
| | Demand savings |
| | Meeting structure |
| Performance Incentives | |
| Defining Goals and Setting Budgets | |
